QUICK GLANCE

I help organizations develop & implement technology strategies by building & leading top-performing, global teams. My expertise spans various industries, & I excel at tackling complex socio-technical challenges & leading diverse teams.

WORK EXPERIENCE

Present AUG 2022	Chief Technology Officer at FORMICLABS, San Francisco, CA <i>Cloud SaaS for Biotech</i> Incubating disruptive Cloud SaaS solutions to democratize access to biotechnology research. Ramped up engineering & product operations from scratch (from 0 to 10 engineers & strategists.) MVP launch achieved in 3 months.
AUG 2022 JUN 2021	Chief Technology Officer at ODEKO, New York, NY <i>Tools for Local Cafés to Operate & Grow</i> Developed & executed Odeko's tech vision & strategy. Built a world-class global team of software, data, & DevOps engineers (from 13 to 65 members). Implemented hiring, productivity, & quality as well as people & product management processes. Responsible for positively driving tech, product, & business OKRs.
JUN 2021 AUG 2019	Head of Digital Transformation VIASAT, Carlsbad, CA <i>Global Technology & Customer Success</i> Lead a cross-functional global team of 90+ engineers & product manager in charge of digital, architectural, & organizational transformations at scale.
AUG 2019 SEP 2013	Partner, Technology at WORK & CO, New York, NY <i>Digital Product Innovation</i> Ramped up a global team from scratch to 110+ engineers, product managers & strategists behind hundreds of digital products for companies such as APPLE, FACEBOOK, GOOGLE, TWITTER, PEPSI, PHILZ COFFEE, VIRGIN AMERICA, & DISNEY. Responsible for defining the technical strategy, vision, processes & team culture.
AUG 2013 JAN 2013	Startup Guy at SAVALANCHE and HINTFY, Oulu, Finland <i>Digital Marketplace and Mobile Recommendation Platforms</i> Co-founded and led two startups. Acted as CTO/CEO. At HINTFY we explored solutions to improve entertainment discovery on mobile devices. At SAVALANCHE we created a platform for hundreds of media houses and thousands of merchants to establish marketplaces online.
DEC 2012 DEC 2006	Technology Strategist at DIGITALIST, Finland/Germany/China <i>R&D services for Mobile and Embedded Devices</i> Responsible for developing new products and new global markets, revamping account management processes, pioneering international expansions, and managing key projects in Asia, Europe and America - in particular for NOKIA, SAMSUNG, and ESPN. Ramped up R&D centers in Beijing and Chengdu.
NOV 2006 AUG 2005	Guest Lecturer at FIAP, São Paulo, Brazil <i>Data Modeling, Design Patterns, Object Oriented Programming</i> Received positive review from students. Rated "truly inspiring."
JUL 2006 MAR 2003	Head of Software Engineering at BDK SOLUTIONS, São Paulo, Brazil <i>Data-Driven Business Decision Tools</i> Led five development teams building data-driven business-decision tools. Responsible for managing & architecting all LATAM, multi-million, multi-year projects.
FEB 2003 JAN 1996	Managing Director at ST. PAUL'S SCHOOL, São Paulo, Brazil <i>Council of British International Schools</i> Headed over engineering, IT, accounting, financial, and legal teams. Reported to board of directors. Steered the organization at the tactical and operational level.
